

INDEPENDENT AUDITOR'S REPORT

To the Members of **Ventura Commodities Limited**

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Ventura Commodities Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss, including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Director's Report but does not include the financial statements and our auditor's report thereon. The Director's Report has not been made available to us.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

MSKA & Associates

Chartered Accountants

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of management and Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The financial statements of the Company for the year ended March 31, 2024, were audited by another auditor whose report dated May 25, 2024 expressed an unmodified opinion on those financial statements.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

MSKA & Associates

Chartered Accountants

2. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 2(h)(vi) below on reporting under Rule 11(g).
- (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) The reservation relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 2(b) above on reporting under Section 143(3)(b) and paragraph 2(h)(vi) below on reporting under Rule 11(g).
- (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv.
 - a. The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b. The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities (Funding Parties), with the understanding, whether recorded in writing or otherwise, as on the date of this audit report, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

MSKA & Associates

Chartered Accountants

- c. Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, and according to the information and explanations provided to us by the Management in this regard nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (a) and (b) above, contain any material mis-statement.
- v. The final dividend paid by the Company during the year in respect of the same declared for the previous year is in accordance with section 123 of the Companies Act 2013 to the extent it applies to payment of dividend.
- The Company has not declared any dividend during the year.
- vi. Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account, which has a feature of recording audit trail (edit log) facility, that has not been enabled in the accounting software throughout the year as explained in Note 36 to the financial statements. Accordingly, we are unable to comment whether the audit trail feature has operated throughout the year for all relevant transaction recorded in the software or whether there is any instance of audit trail feature being tampered with or whether the audit trail of prior years has been preserved by the Company as per the statutory requirements for record retention prescribed under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
3. In our opinion, according to information, explanations given to us, the remuneration paid by the Company to its directors is within the limits laid prescribed under Section 197 read with Schedule V of the Act and the rules thereunder.

ANNEXURE A TO INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF VENTURA COMMODITIES LIMITED FOR THE YEAR ENDED MARCH 31, 2025

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report]

- i. (a) A The Company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment.
B The Company has maintained proper records showing full particulars of intangible assets.
- (b) All the Property, Plant and Equipment of the Company have not been physically verified by the management during the year. Accordingly, material discrepancies, if any, could not be ascertained and therefore, we are unable to comment on whether such material discrepancies have been properly dealt with in the books of account.
- (c) According to the information and explanations given to us, there are no immovable properties, and accordingly, the provisions stated under clause 3(i)(c) of the Order are not applicable to the Company.
- (d) According to the information and explanations given to us, the Company has not revalued its property, plant and Equipment and intangible assets during the year. Accordingly, the provisions stated under clause 3(i)(d) of the Order are not applicable to the Company.
- (e) According to the information and explanations given to us, no proceeding has been initiated or pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988, as amended and rules made thereunder. Accordingly, the provisions stated under clause 3(i)(e) of the Order are not applicable to the Company.
- ii. (a) The Company is involved in the business of rendering services and does not hold any inventory. Accordingly, the provisions stated under clause 3(ii)(a) of the Order are not applicable to the Company.
- (b) During any point of time of the year, the Company has not been sanctioned working capital limits from Banks and financial institutions on the basis of security of current assets. Accordingly, the provisions stated under clause 3(ii)(b) of the Order is not applicable to the Company.
- iii. According to the information and explanations provided to us, the Company has not made any investments in, or provided any guarantee or security, or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the provisions stated under clause 3(iii) of the Order are not applicable to the Company.
- iv. According to the information and explanations given to us, there are no loans, investments, guarantees, and security in respect of which provisions of sections 185 and 186 of the Companies Act, 2013, are applicable and accordingly, the requirement to report under clause 3(iv) of the Order is not applicable to the Company.
- v. According to the information and explanations given to us, the Company has neither accepted any deposits from the public nor any amounts which are deemed to be deposits, within the meaning of the provisions of Sections 73 to 76 of the Companies Act, 2013 and the rules framed there under. Accordingly, the requirement to report under clause 3(iv) of the Order is not applicable to the Company.
- vi. The provisions of sub-Section (1) of Section 148 of the Companies Act, 2013 are not applicable to the Company as the Central Government of India has not specified the maintenance of cost records for any of the products/ services of the Company. Accordingly, the requirement to report on clause 3(vi) of the Order is not applicable to the Company.

MSKA & Associates

Chartered Accountants

- vii. (a) According to the information and explanations given to us and the records examined by us, in our opinion, undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, cess and other statutory dues have been regularly deposited by the Company with appropriate authorities in all cases during the year. No undisputed amounts payable in respect of these statutory dues were outstanding as at March 31, 2025, for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us and the records examined by us, there are no dues relating to goods and services tax, provident fund, employees' state insurance, income-tax, cess and other statutory dues which have not been deposited on account of any dispute.
- viii. According to the information and explanations given to us, there are no transaction which are not recorded in the books of account which have been surrendered or disclosed as income during the year in Income-tax Assessment under the Income Tax Act, 1961. Accordingly, the requirement to report as stated under clause 3(viii) of the Order is not applicable to the Company.
- ix. (a) The Company does not have any loans or borrowings or interest thereon due to any lenders during the year. Accordingly, the requirement to report under clause 3(ix)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion and according to the information and explanations provided to us, no money was raised by way of term loans. Accordingly, the requirement to report under clause 3(ix)(c) of the Order is not applicable to the Company.
- (d) According to the information and explanations provided to us, there are no funds raised during the year. Accordingly, the requirement to report under clause 3(ix)(d) of the Order is not applicable to the Company.
- (e) The Company does not have any subsidiary, associate, or joint venture. Accordingly, requirement to report under clause 3(ix)(e)-(f) of the order is not applicable to the Company.
- x. (a) In our opinion and according to the information and explanations given to us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting requirement under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partly, or optionally convertible) during the year. Accordingly, the requirements to report under clause 3(x)(b) of the Order is not applicable to the Company.
- xi. (a) Based on our examination of the books and records of the Company and according to the information and explanations given to us, we report that no fraud by the Company or no fraud on the Company has been noticed or reported during the year in the course of our audit.
- (b) During the year no report under Section 143(12) of the Act, has been filed by us in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the Management, there are no whistle-blower complaints received by the Company during the year.

MSKA & Associates

Chartered Accountants

- xii. The Company is not a Nidhi Company. Accordingly, the provisions stated under clause 3(xii)(a) to (c) of the Order are not applicable to the Company.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, the provisions of section 177 of the Companies Act, 2013 are not applicable to the Company. Further, the transactions with the related parties are in compliance with Section 188 of the Companies Act, 2013 and details of such transactions have been disclosed in the financial statements as required by the applicable Indian Accounting Standards.
- xiv. (a) In our opinion and based on our examination, the Company does not have an internal audit system and is not required to have an internal audit system as per the provisions of the Companies Act, 2013. Accordingly, requirement to report under clause 3(xiv) of the Order is not applicable to the Company.
- (b) The Company did not have an internal audit system for the period under audit. Accordingly, the requirement to report under the clause 3(xiv)(b) of the Order is not applicable to the Company.
- xv. According to the information and explanations given to us, and based on our examination of the records of the Company, in our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and accordingly, the requirement to report on clause 3(xv) of the Order is not applicable to the Company.
- xvi. (a) The Company is not required to be registered under Section 45 IA of the Reserve Bank of India Act, 1934 (2 of 1934) and accordingly, the requirements to report under clause 3(xvi)(a) of the Order is not applicable to the Company.
- (b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities during the year and accordingly, the provisions stated under clause 3 (xvi)(b) of the Order are not applicable to the Company.
- (c) The Company is not a Core investment Company (CIC) as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report under clause 3 (xvi)(c) of the Order is not applicable to the Company.
- (d) The Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016 does not have any Core Investment Company as part of its group. Accordingly, the requirement to report under clause 3(xvi)(d) of the Order is not applicable to the Company.
- xvii. Based on the overall review of financial statements, the Company has not incurred cash losses in the current financial year and in the immediately preceding financial year. Accordingly, the requirement to report under clause 3(xvii) of the Order is not applicable to the Company.
- xviii. There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.
- xix. According to the information and explanations given to us and on the basis of the financial ratios (as disclosed in note 27 to the financial statements), ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. According to the information and explanations given to us and based on our verification, provisions of Section 135 of the Companies Act, 2013, are not applicable to the Company during the year. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

MSKA & Associates

Chartered Accountants

- xxi. The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements. Accordingly, no comment in respect of the said Clause has been included in the report.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF VENTURA COMMODITIES LIMITED

[Referred to in paragraph 2(g) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the Members of Ventura Commodities Limited on the financial statements for the year ended March 31, 2025

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Ventura Commodities Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (the "ICAI").

Management's and Board of Director's Responsibility for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to the financial statements.

MSKA & Associates

Chartered Accountants

Meaning of Internal Financial Controls With reference to Financial Statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Ventura Commodities Limited

1 Corporate Information

Ventura Commodities Limited is Unlisted Public Company domiciled in India and incorporated under the provisions of the Companies Act, 1956 in April 2002. The Company is engaged in the business of providing broking services in Commodities through these exchanges. Company is a member of Multi Commodity Exchange of India Limited and National Commodity & Derivatives Exchange Limited. The principal place of business of the company is at Thane, India.

2 Statement of Material Accounting Policies

a) Basis of Preparation

(i) Statement Compliance

The Financial Statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("Act") read with Companies (Indian Accounting Standards) Rules, 2015; and the other relevant provisions of the Act and Rules thereunder.

The financial statements have been prepared using the significant accounting policies and measurement bases summarized as below. These accounting policies have been applied consistently over all the periods presented in these financial statements, except where the Company has applied certain accounting policies and exemptions upon transition to Ind AS.

(ii) Preparation of Financial Statements

The Company is covered in the definition of Non-Banking Financial Company as defined in Companies (Indian Accounting Standards) (Amendment) Rules, 2016. As per the format prescribed under Division III of Schedule III to the Companies Act, 2013 on 11 October 2013, the Company presents the Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the order of liquidity.

(iii) Use of Estimates and Judgments

The preparation of the financial statements in conformity with Ind AS requires that management make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures of contingent assets and liabilities as of the date of the financial statements and the income and expense for the reporting period. The actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

Management believes that the estimates used in preparation of financial statements are prudent and reasonable.

b) Revenue recognition

The Company recognises revenue from contracts with customers based on a five step model as set out in Ind AS 115, Revenue from Contracts with Customers, to determine when to recognize revenue and at what amount. Revenue is measured based on the consideration specified in the contract with a customer. Revenue from contracts with customers is recognised when services are provided and it is highly probable that a significant reversal of revenue is not expected to occur.

Revenue is measured at fair value of the consideration received or receivable. Revenue is recognised when (or as) the Company satisfies a performance obligation by transferring a promised service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset.

A handwritten signature in blue ink, appearing to be "V".

A handwritten signature in blue ink, appearing to be "A".

Ventura Commodities Limited

When (or as) a performance obligation is satisfied, the Company recognizes as revenue the amount of the transaction price (excluding estimates of variable consideration) that is allocated to that performance obligation.

The Company applies the five-step approach for recognition of revenue:

- Identification of contract(s) with customers;
- Identification of the separate performance obligations in the contract;
- Determination of transaction price;
- Allocation of transaction price to the separate performance obligations; and
- Recognition of revenue when (or as) each performance obligation is satisfied.

(i) Brokerage Fees Income

It is recognised on trade date basis and is exclusive of goods and service tax wherever applicable.

(ii) Interest income

Interest income is recognized on accrual basis.

c) Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

(i) Current Tax

Current Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity as determined in accordance with the provisions of the Income Tax Act, 1961. Current tax assets and current tax liabilities are off set when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

(ii) Deferred Tax

Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognized if they arise from the initial recognition of goodwill. Deferred tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax liabilities are not recognized for temporary differences between the carrying amount and tax bases of investments in subsidiaries where the Company is able to control the timing of the reversal of the temporary differences and it is probable that the differences will not reverse in the foreseeable future.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Ventura Commodities Limited

d) Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

e) Financial Instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognized when the entity becomes a party to the contractual provisions of the instrument. Regular way purchases and sales of financial assets are recognized on trade-date, the date on which the Company commits to purchase or sell the asset.

At initial recognition, the Company measures a financial asset or financial liability at its fair value plus or minus, in the case of a financial asset or financial liability not at fair value through profit or loss, transaction costs that are incremental and directly attributable to the acquisition or issue of the financial asset or financial liability, such as fees and commissions. Transaction costs of financial assets and financial liabilities carried at fair value through profit or loss are expensed in profit or loss. Immediately after initial recognition, an expected credit loss allowance (ECL) is recognized for financial assets measured at amortized cost.

When the fair value of financial assets and liabilities differs from the transaction price on initial recognition, the entity recognizes the difference as follows:

- a) When the fair value is evidenced by a quoted price in an active market for an identical asset or liability (i.e. a Level 1 input) or based on a valuation technique that uses only data from observable markets, the difference is recognized as a gain or loss.
- b) In all other cases, the difference is deferred and the timing of recognition of deferred day one profit or loss is determined individually. It is either amortized over the life of the instrument, deferred until the instrument's fair value can be determined using market observable inputs, or realized through settlement.

When the Company revises the estimates of future cash flows, the carrying amount of the respective financial assets or financial liability is adjusted to reflect the new estimate discounted using the original effective interest rate. Any changes are recognized in profit or loss.

Fair value of financial instruments

Some of the Company's assets and liabilities are measured at fair value for financial reporting purpose. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date regardless of whether that price is directly observable or estimated using another valuation technique.

Financial assets

(i) Classification and subsequent measurement

The Company has applied Ind AS 109 and classifies its financial assets in the following measurement categories:

- Fair value through profit or loss (FVTPL);
- Fair value through other comprehensive income (FVOCI); or
- Amortised cost.

Ventura Commodities Limited

1. Financial assets carried at amortised cost

A financial asset is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the Statement of Profit and Loss.

2. Equity Instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective; that is, instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets.

All investments in equity instruments classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognised as revenue from operations in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognized in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'Revenue from operations' in the Statement of Profit and Loss.

All investment in subsidiary companies are valued at cost whereas other investment are measured at FVTPL.

(ii) Impairment

The Company recognizes impairment allowances using Expected Credit Losses ("ECL") method on all the financial assets that are not measured at FVPTL:

ECL are probability-weighted estimate of credit losses. They are measured as follows:

- Financials assets that are not credit impaired – as the present value of all cash shortfalls that are possible within 12 months after the reporting date.
- Financials assets with significant increase in credit risk - as the present value of all cash shortfalls that result from all possible default events over the expected life of the financial assets.
- Financials assets that are credit impaired – as the difference between the gross carrying amount and the present value of estimated cash flows.

Financial assets are written off / fully provided for when there is no reasonable Certainty of recovering a financial assets in its entirety or a portion thereof.

However, financial assets that are written off could still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in the Statement of Profit and Loss.

(iii) Derecognition

A financial asset is derecognised only when :

The Company has transferred the rights to receive cash flows from the financial asset or retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Handwritten signature or mark.

Ventura Commodities Limited

Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Financial Liabilities

(i) Initial recognition and measurement

Financial liabilities are classified at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in Statement of Profit or loss.

(ii) Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss is measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

(iii) Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

f) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

g) Property Plant and Equipment

Property, plant and equipment are stated at cost of acquisition less accumulated depreciation. Cost includes expenditure that is directly attributable to the acquisition and installation of the assets.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

H

B

Ventura Commodities Limited

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful life prescribed under Schedule II to the Companies Act, 2013. The Company provides pro-rata depreciation from the date of installation till date the assets are sold or disposed. Leasehold improvements are amortised over the term of underlying lease.

Asset	Useful Life
Tangible Assets	
Computer	3 years
Office equipment	3 years
Furniture and fixtures	5 years
Motor Car	5 years

Derecognition

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. Gains and losses on disposals are determined by comparing proceeds with carrying amount and are recognized in the statement of profit and loss when the asset is derecognized.

Intangible Assets

Measurement at recognition

Intangible assets are recognized where it is probable that the future economic benefit attributable to the assets will flow to the Company and its cost can be reliably measured. Intangible assets are stated at cost of acquisition less accumulated amortization and impairment, if any.

Amortisation

Expenditure incurred on acquisition / development of intangible assets which are not put / ready to use at the reporting date is disclosed under intangible assets under development. The Company amortizes intangible assets on a straight-line basis over the five years commencing from the month in which the asset is first put to use. The Company provides pro-rata amortization from the day the asset is put to use.

Asset	Useful Life
Computer Software	3 years

Derecognition

The carrying amount of an intangible asset is derecognized on disposal or when no future economic benefits are expected from its use or disposal. Gains and losses on disposals are determined by comparing proceeds with carrying amount and are recognized in the statement of profit and loss when the asset is derecognized.

Handwritten signature or mark.

Handwritten signature or mark.

Ventura Commodities Limited

h) Impairment of non-financial assets

At each reporting date, the Company assesses whether there is any indication based on internal / external factors, that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount of asset is the higher of its fair value or value in use. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects the current market assessment of time value of money and the risks specific to it. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. All assets are subsequently reassessed for indications that an impairment loss previously recognised may no longer exist. An impairment loss is reversed if there has been a change in estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the assets carrying amount would have been determined, net of depreciation or amortization, had no impairment loss been recognised.

i) Provisions and contingencies

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the reporting date.

Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognized as finance cost. Expected future operating losses are not provided for.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

j) Employee Benefits

(i) Short-term obligations

Short-term employee benefits are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss for the year in which the related services are rendered. The Company recognises the costs of bonus payments when it has a present obligation to make such payments as a result of past events and a reliable estimate of the obligation can be made.

(ii) Post-employment obligations

Defined contribution plan:

Contribution paid / payable to the recognised provident fund, which is a defined contribution scheme, is charged to the Statement of Profit and Loss in the period in which they occur.

A handwritten signature in blue ink, consisting of a stylized 'V' followed by some illegible characters.

A handwritten signature in blue ink, consisting of a stylized 'V' followed by some illegible characters.

Ventura Commodities Limited

Defined benefits plan

Gratuity is post-employment benefit and is in the nature of defined benefit plan. The liability recognised in the Balance Sheet in respect of gratuity is the present value of defined benefit obligation at the Balance Sheet date together with the adjustments for unrecognised actuarial gain or losses and the past service costs. The defined benefit obligation is calculated at or near the Balance Sheet date by an independent actuary using the projected unit credit method. Actuarial gains and losses comprise experience adjustment and the effects of changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

(iii) Other long-term employee benefit obligations

Compensated absences

The Company does not have a policy of encashment of unavailed leaves for its employees but are permitted to carry forward subject to a prescribed maximum days. Provision is made for expected cost of accumulating compensated absences as a result of unused leave entitlement which has accumulated as at the balance sheet date.

k) Foreign currency translation

(i) Functional and presentation currency

Items included in financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

(ii) Translation and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in profit or loss.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss. For example, translation differences on non-monetary assets and liabilities such as equity instruments held at fair value through profit or loss are recognized in profit or loss as part of the fair value gain or loss and translation differences on non-monetary assets such as equity investments classified as FVOCI are recognized in other comprehensive income.

l) Dividends

The final dividend on shares is recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

m) Earnings per share

(i) Basic Earnings per share

Basic earnings per share is calculated by dividing the net profit for the period (excluding other comprehensive income) attributable to equity share holders of the Company by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus element in equity shares issued during the year.

Ventura Commodities Limited

(ii) Diluted Earnings per share

Diluted earnings per share is computed by dividing the net profit for the period attributable to equity shareholders by the weighted average number of shares outstanding during the period as adjusted for the effects of all diluted potential equity shares except where the results are anti-dilutive.

n) Rounding of Amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Lakhs as per the requirements.

o) Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

p) Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

28 Revenue from Contract with Customers

The Company derives revenue primarily from the share broking business. Its other major revenue sources are Interest income.

Disaggregate revenue information

1 Nature of Business

a) Brokerage Fees Income:

Income from services rendered as a broker is recognised upon rendering of the services, in accordance with the terms of contract.

b) Interest Income:

Interest is on amounts funded to a corporate body as well as term deposits with banks.

2 Disaggregate revenue information

The table below presents disaggregate revenues from contracts with customers for the Year ended March 2023 and year ended 31 March 2022. The Company believes that this disaggregation best depicts how the nature, amount, timing and uncertainty of revenue and cash flows are affected by market and other economic factors.

Particulars	As at 31st March 2025	As at 31st March 2024
Brokerage Income	-	-
Interest Income	4.64	15.93
Total	4.64	15.93

3 Nature, timing of satisfaction of the performance obligation and significant payment terms

- Income from services rendered as a broker is recognised upon rendering of the services.
- Interest income is recognised on a time proportion basis taking into account the amount on the financial instrument and the rate applicable.

The above services are point in time in nature, and no performance obligation remains once the transaction is executed.

Fees for subscription based services are received periodically but are recognised as earned on a pro-rata basis over the term of the contract, and are over the period in nature.

4 Reconciliation of amount of revenue recognised in the statement of profit and loss with the contracted price.

Particulars	As at 31st March 2025	As at 31st March 2024
Revenue from the Contracts (as per Contract)	-	-
Less: Discount/Incentive to Customers	-	-
Add: Interest Income	4.64	15.93
Revenue from the Contracts (as per Statement of Profit and Loss)	4.64	15.93

The Company's policy is to maintain a strong capital base so as to ensure that the Company is able to continue as going concern to sustain future development of the business. The Board of Directors are evaluating pursuing alternative businesses in the financial services space. The capital structure of the Company is based on management's judgment of its strategic and day-to-day needs with a focus on total equity so as to maintain investor, creditors and market conditions.

The company manages its capital structure and make adjustment in light of economic condition and requirement of financial covenants. To maintain or adjust its day to day requirement the company had been using short term working capital facility from the bank. The company doesn't hold any huge long term debt and hence the debt equity ratio is zero as show in table below:

The Company monitors capital on the basis of the following debt equity ratio:

Particulars	As at 31st March, 2025	As at 31st March, 2024
Borrowings	-	-
Less: Cash and bank balances	(3.57)	(54.16)
Net Debt *	(3.57)	(54.16)
Total equity	120.97	168.26
Net debt to equity ratio	-2.95%	-32.19%

* Net Debt is negative and hence we have considered it as 0

B Fair value measurement hierarchy:

Particulars	As at 31st March 2025				As at 31st March 2024			
	Carrying amount	Level of input used in			Carrying amount	Level of input used in		
		Level 1	Level 2	Level 3		Level 1	Level 2	Level 3
Financial assets								
At FVTPL		-	-	-		-	-	-
At FVTOCI		-	-	-		-	-	-
At Amortized cost

Ventura Commodities Limited**Notes forming part of the financial statements for the Year ended 31st March, 2025**

(All Amounts are Rupees in Lakhs, unless otherwise mentioned)

Particulars	As at 31st March 2025				As at 31st March 2024			
	Carrying amount	Level of input used in			Carrying amount	Level of input used in		
		Level 1	Level 2	Level 3		Level 1	Level 2	Level 3
Financial liabilities								
At FVTPL		-	-	-		-	-	-
At Amortized cost								
Borrowings	-	-	-	-	50.00	-	-	-
Trade payables	2.87	-	-	-	2.89	-	-	-
Other financial liabilities	1.80	-	-	-	0.45	-	-	-

The fair values of the financial assets and liabilities are defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Methods and assumptions used to estimate the fair values are consistent with those used for the year ended 31st March, 2024.

The financial instruments are categorized into three levels based on the inputs used to arrive at fair value measurements as described below:

- i) Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.
- ii) Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. In the case of Derivative contracts, the Company has valued the same using the forward exchange rate as at the reporting date.
- iii) Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

C Financial instruments not measured at fair value

Financial assets not measured at fair value includes cash and cash equivalents, trade receivables, loans and other financial assets. These are financial assets whose carrying amounts approximate fair value, due to their short-term nature.

Additionally, financial liabilities such as trade payables and other financial liabilities are not measured at FVTPL, whose carrying amounts approximate fair value, because of their short-term nature.

(All Amounts are Rupees in Lakhs, unless otherwise mentioned)

32 Financial risk management

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risks, and credit risk. The Company's senior management has the overall responsibility for establishing and governing the Company's risk management framework. The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Board of the company.

The Company has exposure to the following risks arising from financial instruments:

- A) Credit risk;
- B) Liquidity risk; and
- C) Market risk;

A Credit risk

It is risk of financial loss that the Company will incur a loss because its customer or counterparty to financial instruments fails to meet its contractual obligation.

The Company's financial assets comprise of Cash and bank balance, Trade receivables, Loans, Investments and Other financial assets which comprise mainly of deposits and unbilled revenues.

The maximum exposure to credit risk at the reporting date is primarily from Company's trade receivable and loan given.

Following is the exposure to the credit risk for trade receivables and loan given:

Particulars	As at 31st March, 2025	As at 31st March, 2024
Trade and other Debtors	-	-
Loan Given	-	-
Total	-	-

Trade receivables and Loan given

The Company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivable and Loan given.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime Expected Credit Loss (ECL) at each reporting date, right from its initial recognition.

The company trades in Commodities on behalf of client hence the credit risk for company is minimum and it arises only if counterparty defaults. For counterparty risk, the company has taken enough collateral hence the credit risk for company is minimal.

(All Amounts are Rupees in Lakhs, unless otherwise mentioned)

B Liquidity risk

Liquidity represents the ability of the Company to generate sufficient cash flow to meet its financial obligations on time, both in normal and in stressed conditions, without having to liquidate assets or raise funds at unfavourable terms thus compromising its earnings and capital.

Liquidity risk is the risk that the Company may not be able to generate sufficient cash flow at reasonable cost to meet expected and/or unexpected claims. It arises in the funding of lending, trading and investment activities and in the management of trading positions.

Funds required for short period are taken care by borrowings through corporate bodies . The company had also acquired non fund based facility from bank for its margin requirements to exchanges.

Exposure to liquidity risk

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows as at the Balance Sheet date:

Particulars	As at 31st March, 2025			
	Carrying amount			
	Carrying amount	Within one year	One to five years	More than five years
Non-derivative financial liabilities				
Borrowings	-	-	-	-
Trade and other payables	2.87	2.87	-	-
Other financial liabilities	1.80	1.80	-	-
Derivative financial liabilities	-	-	-	-
	4.67	4.67	-	-

Particulars	As at 31st March, 2024			
	Carrying amount			
	Carrying amount	Within one year	One to five years	More than five years
Non-derivative financial liabilities				
Borrowings	-	-	-	-
Trade and other payables	2.89	2.89	-	-
Other financial liabilities	0.45	0.45	-	-
Derivative financial liabilities	-	-	-	-
	3.34	3.34	-	-

C Market Risk

Market risk is the risk that the fair value or future Cash flows of a financial instrument will fluctuate because of changes in market prices. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

Ventura Commodities Limited

Notes forming part of the financial statements for the Year ended 31st March, 2025

(All Amounts are Rupees in Lakhs, unless otherwise mentioned)

(i) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates.

Foreign currency risk management

The Company does not have any exposure to foreign exchange risk arising from foreign currency transaction.

(ii) Interest rate risk

The Company is exposed to Interest risk if the fair value or future cash flows of its financial instruments will fluctuate as a result of changes in market interest rates. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates.

The Company's interest rate risk arises from interest bearing deposits with bank and loans given to customers. Such instruments expose the Company to fair value interest rate risk. Management believes that the interest rate risk attached to this financial assets are not significant due to the nature of this financial assets.

33 Membership Surrender

The Company has made applications for surrender of its MCX membership on 25-04-2019 and NCDEX membership on 22-11-2019 to Multi Commodity Exchange of India Limited and National Commodity & Derivatives Exchange Limited respectively. The company ceased doing business in the commodity markets with effect from these relevant dates. The 'Financial Statements' including the 'Notes to Accounts' therefore reflect the commodities business done prior to these relevant dates. The Board of Directors are evaluating pursuing alternative businesses in the financial services space.

- 34 The Company has a statutory requirement in respect of financial years commencing on or after April 1, 2023, to use such accounting software for maintaining its books of accounts which has a feature of recording an audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in the software and the audit trail feature has not been tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.
